

THE CENTRAL COUNCIL OF CHURCH
BELL RINGERS

UK Registered Charity No. 270036

Performances for the Platinum Wedding Anniversary of

Her Majesty Queen Elizabeth II

and

Prince Philip, Duke of Edinburgh

Some 2,000 bellringers took part in a total of 345 special performances to celebrate this special anniversary, spreading the joyous sound of English-style bellringing around the world – as far afield as Australia, New Zealand and New York.

Almost half the performances were on the day itself, Monday 20th November 2017, with the others in the preceding and following days and weeks.

There were 55 peals (each around 3 hours), 216 quarter peals (40-50 minutes) and 74 shorter performances – well over 300 hours of ringing.

27 of the performances used special methods (tunes) that included 'platinum' in their name (eg Platinum Surprise Major).

The following pages list these performances, showing the day and place where each was rung, with brief details of what was rung. They were all rung in November except where specified otherwise.

This record has been compiled by the Central Council of Church Bell Ringers as a permanent memento for the Royal couple.
